Roger spoke on behalf of Randolph Township; we offer our most heartfelt condolences to you, Sue, and to Bob, Debbie, and family. **Old Business**

Mike reported that the garage is down and looks nice. Mike suggested we set a date for our Open House. After some discussion it was decided to hold our Open House the second weekend of November. Mike moved to hold our Open House on Sunday, November 13, 2011, from 2-4:00 p.m. Roger seconded. RCV: Mike – yes; Sue – yes; Roger – yes.

Mike stated that he looked at the flower bed that the LCA asked to be removed. He thinks it could be maintained and still place benches in the area. Larry stated that it would be easier for mowing not to maintain the flower bed, but would do whatever is needed.

Roger met with Ryan Nash regarding a blackboard connect emergency notification system. He stated it is a good product. The pricing is \$2.00 per residence plus a yearly fee \$2,500 for weather service and \$1,000 per year for support. Rootstown has a program that they pay \$8,100 per year. Ryan stated that Waterloo began using the system and more than half of the schools in the county are using it. Roger asked if we could collaborate with Waterloo, but the school program is different. Information about available grant money is to be forwarded.
